No your phone is working just great. One has to actually attach the file for you to see... what can I say. It is late. Let's try this again.

Thanks Nicki, I really appreciate it! Maybe it's because I am on my phone, but I didn't see the attachment?

Lisa,
Well, lookee what I had! Emily's slides. I took the one, merged it into the Local Planning Goals slides that I have used before and voila, the beginnings of your presentation for WQGIT. Feel free to edit as you see fit. I took my contact info off, thinking you might prefer to use your own, but left the DEP website info on so that we could send people to our site for more info if that is okay with you. Let me know if I can be of further help.

Subject: Next week--proposed meetings to finalize 1/26 presentation & next steps
Importance: High

Good morning - a lot of wheels are turning as we prep info for next week. That said, after discussing with Lisa, Nicki and Jennifer, we'd like to propose two meetings to flesh out all details during this critical planning period:

--one meeting (3 hours, in person?) with just co-chairs, Nicki and support staff to finalize details of next steps for 1/26 presentations --one conference call (one hour) with LAG WG to review everything we collected last week and next steps for their OK.

We are squeezed for time next week, so hoping that you might be available at any time on Wednesday, January 17th to meet in person for 3 hours (may be shorter, but want to give us enough time) and at a new time, 11AM, on Thursday, January 18th for the LAG WG one hour conference call to review everything we collected at last WG meeting and discuss what we are taking to co-chairs and WIP SC on 1/26.

Sorry for the lack of options on dates/times, but hoping we can make these times/dates work. If you are available on the 17th, please provide me with your times available. And please confirm 11am on the 18th for a WG call.

Many thanks!
Kristen
